Am I the Asshole for snitching on my sister?

"...I told my parents that my sister was staying up late with her tablet even though they had said she couldn't do it anymore. Now she's mad..."

Judgment: NTA (Not the Asshole)

Reason: "...While you shouldn't be parenting her, you didn't go to your parents until she repeatedly ignored them as well as your warnings..."

Judgment: YTA (You are the asshole)

Reason: "...If your sister was doing something really bad that hurt someone...You have undermined her trust in you..."
